- ▶ Actionable insights on **KRAs** [Key Responsibility Areas]

The screenshot displays the Magenta Bi software interface. The top window shows a 'List of All Sales Vendors' table with columns for Vendor Name, Address, Phone, Email, and Status. Below this, a larger table provides a detailed view of sales data, including columns for Date, Vendor Name, Product Name, Quantity, Rate, Gross Total, Net Total, and various tax and discount percentages. The bottom section of the interface shows a 'Sales Order' table with columns for Order ID, Date, Vendor Name, Product Name, Quantity, Rate, and Total Amount, with rows of data color-coded in red and green.

Miracle - The Powerhouse of Accounting

The background features abstract, overlapping geometric shapes in various shades of blue, ranging from light sky blue to deep navy blue. These shapes are primarily located on the left and right sides of the frame, creating a modern, dynamic feel. The central area is a clean, white space where the text is placed.

THANK YOU
